Venture Oil Investments Ltd

Dear Investors,

We have been advised that funds for the August and September production will be with us by October 15th.

The amounts involved, at least at this stage, make it more cost effective to remit bi-monthly. Therefore, we shall apply a payment schedule of every two months instead of quarterly.

Once we know the production value for September, we will remit to you a payment statement detailing the amount due and the date on which this will be paid to you.

We would like to thank you for your understanding and patience in this matter.

If you should have any queries, please do not hesitate to contact us via Support@Glenmuir.ae

Kind Regards,

Richard Chamberlain
